Ignite Studios is an extension of the **Northern Rivers Community Gallery (NRCG)**, a community-engaged cultural hub in the Northern Rivers region, owned and operated by Ballina Shire Council.

Located in the heart of the Ballina CBD, adjacent to the **NRCG** and housed in the historic former Ballina Fire Station, **Ignite Studios** provides a dynamic shared access space supporting the development and participation of artistic pursuits. Facilities include four artist studios, a visiting artist-in-residence (AiR) studio and two access spaces for workshops, creative events, pop-up exhibitions, meetings and special projects.

ADAPTIVE REUSE - TRIAL PERIOD

The beautiful, heritage listed premises were previously used as a Fire Station for approximately 80 years. The Ballina Fire Station operations relocated to new premises in 2015 and the former Ballina Fire Station at 60 Crane Street was then acquired by Ballina Shire Council.

Built in the same architectural style as the NRCG and located in the adjoining property, the former Ballina Fire Station provides an exceptional opportunity to expand the facility and services of NRCG. Temporary use of the building for a period of twelve months has been provided by the Council to trial utilising the premises as an extension of NRCG operations for a multi-disciplinary art space.

Refurbishment works are being carried out during 2016 for the adaptive re-use of the premises as a regional multi-disciplinary art space, celebrating the heritage values of the building and ongoing enjoyment of the facility for the whole community.

THE FACILITIES

Ignite Studios offers two venues to support four activities for the growing demand of local arts and cultural activities. This includes Artist Studios; an Artist-in-Residence Studio; Workshop Spaces and an experimental project space utilising the original 'Engine Room'. The 'Engine Room' doubles as both an art education and an experimental art project space.

WORKSHOP SPACES

The 'Engine Room' and the 'Locker Room' (floor plan reference - Workshop spaces #1 and #2) are dedicated workshop and/or project spaces available for hire when not in use for Gallery programs. The 'Engine Room' can also be utilised for other experimental or pop-up creative projects.

ARTIST STUDIOS

The four Artist Studios (floor plan reference - Artist Studios #1 to #4) utilise the original residential living areas and range in size from 10m² to 18m². The Artist Studio spaces are available for a twelve month lease to creative practitioners from all disciplines, including but not limited to, painting, digital media, photography, design, craft, filmmaking, performance, sculpture and writing. Artists from Ballina Shire, Northern Rivers and across NSW are welcome to apply.

ARTIST-IN-RESIDENCE STUDIO

The Artist-in-Residence Studio (floor plan reference - AiR) provides a residential and separate studio space to visiting artists from outside the region (national or international). The program provides a single artist dedicated time to focus on the development of their creative practice or a specific project. Two AiR's would take place within a 12 month period for a minimum of four weeks and up to a maximum of eight weeks length of time.
