## APPLYING TO EXHIBIT

The **Northern Rivers Community Gallery (NRCG)** is housed in a heritage building, built in 1927 as the original Ballina Municipal Council Chambers. Our facility features four professional exhibition spaces with the ability to present a diverse exhibition program. **NRCG** works with both emerging and established artists to support professional development opportunities.

The NRCG welcomes exhibition proposals from artists, designers, curators, community and cultural groups in all art forms including but not limited to: visual arts, sculpture, craft, design, digital media, performance, installation/site specific works and cultural heritage that display innovative ideas and approaches to contemporary arts practice.

Applications close end of August each year for the following year's program. All Gallery exhibition timeframes run for a total period of eight weeks.

A Gallery Program panel will consider all applications received by the due date. All applicants will be advised in writing as to the outcome of their application. Please allow at least 8 weeks after the application closing date for notification. If your application is successful, you will receive a letter with dates offered by the Gallery. The Gallery receives a large number of exhibition applications each round, unfortunately not all applications can be accommodated. Similarly due to wider Gallery programming not all space preferences will necessarily be offered to successful applicants.

### Exhibition applications must include the following:

1. A completed exhibition application form
2. Exhibition rationale - limited to one A4 page
3. Curriculum Vitae - limited to one A4 page for solo artist or three A4 pages for an artist group
4. Up to 5 high resolution digital images (300dpi, 1-2MB) of recent work by each artist. Images may be provided on disc, via email or in hardcopy (applications supplied without visual material included will not be assessed)
5. If exhibition proposed is to raise funds for a not-for-profit organisation, a fundraising outline must be attached detailing who / what the fundraising is for and how the funds will be raised

Applications supplied without the relevant support material will not be assessed.

### Selection is based on five key criteria:

- Clarity** clear and cohesive exhibition rationale
- Innovation** high level of aesthetic values and understanding
- Quality** examples of work that demonstrate experience in producing safe, high quality artworks to maintain public gallery standards
- Curatorial** relevance to other exhibitions in adjoining spaces or wider Gallery programming
- Diversity** preference will be given to applicants who have not exhibited within the previous twelve month period.

## GENERAL INFORMATION

1. Services provided to the exhibitor for the duration of the exhibition include: supervision of the exhibition during gallery hours, layout and installation of the exhibition, management of artwork sales, use of plinths, up to 2 x digital projectors with 2 channel Audio, vinyl signage for the title of the exhibition, artwork labels and room didactic panels, printed exhibition flyers, digital e-flyers, promotion of the exhibition and a launch event.
2. Once accepting an offer to exhibit at the Gallery, exhibitors must make every effort to honour the specified dates. An exhibitor must provide at least six months' notice to cancel an exhibition. Any cancellations within six months of the commencement date of the exhibition will incur a cancellation fee.
3. The Gallery retains a 40% commission on all artwork, commissions, orders and shop stock sales made during the exhibition period.
4. A minimum of 80% of the items within any exhibition must be available for sale.
5. Exhibitors are responsible for ensuring all artworks are delivered ready to be installed and for collecting and deinstalling their artwork at the close of the exhibition.
6. As the Gallery is housed in a heritage listed building holes or hooks cannot be placed in the structural walls or the ceiling. The Gallery has some contemporary walls in Gallery spaces 2 and 4 on which very light works can be pinned (eg works on paper).
7. The Gallery utilises a Victorian hanging system (nylon cords from picture rail that hooks onto D-rings). Hanging works must be suitably framed with D-rings secured 5cm from the top of the frame. Hanging works must not exceed 1.9m high to allow access to the building or be more than 8kgs in weight.
8. For group exhibitions consisting of five (5) or more participating members the following guidelines are applicable:
  - a. One or two members are to be nominated as primary contacts with the Gallery Coordinator, to facilitate the exhibition requirements.
  - b. Artist Group member organisations will be required to provide an ABN number and bank account details to Ballina Shire Council (BSC) to process payment for all consignment sales made during the exhibition.
  - c. Payment for Gallery consignment sales will be paid directly to the member organisation to manage individual member payments independently of the Gallery. An itemised consignment sales listing will be provided to the member organisation at the end of the exhibition period.
9. Public programs, including artist's talks, workshops and education programs can be developed by the Gallery to run alongside exhibitions. Exhibitors who would like to develop a public program must do so in conjunction with Gallery Management. Exhibitors are not permitted to develop public programs for NRCG hosted exhibitions independent of the Gallery.
10. The Gallery Coordinator has the right to reject the installation of any artwork considered not to be of Gallery standards, be unsafe or inappropriate for display.
11. Visitors to the Gallery are permitted to take photographs with hand-held devices for personal use only. Use of tripod, flash and additional lighting is prohibited. Images photographed under this policy cannot be reproduced or used commercially.
12. While all due care will be taken with supplied items, Northern Rivers Community Gallery is not responsible for loss, theft or damage. Suppliers are responsible for their own insurance cover of their exhibition content while on display at the Gallery and in transit.
